## MD Presentations at the Good Oil Conference in Fremantle

Dear Shareholders,

Mr Michael Scott, Managing Director, is presenting twice today at the Good Oil Conference in Fremantle, Perth.

The first presentation titled "Reserves Classification – The truth, the whole truth..." will not be released to the ASX announcements platform but will be posted on Cooper Energy's website under Investor Information, Investor Presentations. This presentation is a general discussion on the definitions, standards, terminology and common pitfalls in recoverable hydrocarbon classification and reporting.

The second presentation (COE020909b) on Cooper Energy's activities will be released to both the ASX announcements platform and Cooper Energy's website.

Cooper Energy's website address is [www.cooperenergy.com.au](http://www.cooperenergy.com.au).

Regards,  
**Cooper Energy Limited**
